

## Anti-Bullying Policy

The Everett Youth Soccer Club (EYSC) is committed to providing players a fun, positive, and secure environment in which to learn and enjoy the game of soccer. We do not tolerate bullying at any practice, game or other EYSC sanctioned event. We will promote a REPORTING atmosphere. This means that anyone who knows that bullying is taking place is expected to report the incident. Players and parents should be assured that they will be supported when bullying is reported.

### Definition of Bullying

Bullying is unwanted, aggressive behavior among a group of players and/or teammates that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time.

### Signs and Symptoms

A child may indicate he or she is being bullied through various signs and symptoms. While some children are prone to report bullying to their parents, coaches or adults, others will not, due to fear, intimidation or other factors. Coaches and parents should be aware of possible signs indicating that bullying may be taking place. These signs and behaviors could indicate other problems, but bullying should be considered a possibility and should be investigated.

### Procedures for Parents, Coaches, and the Executive Board

1. Parents should report bullying incidents to the team manager, assistant coach, or coach. If the problem persists, reach out to the EYSC Director of Coaching (DOC) or Board President. If necessary and appropriate, police may be consulted.
2. In all cases of reported bullying, parents of the player who was bullied shall be informed immediately and may be asked to meet with the respective team coach (and/or DOC, President) to discuss the incident. In all cases, strict confidentiality shall be maintained. It is not our goal to make a public example of reported incidents.
3. The parents of a player who is reported to be bullying will be contacted immediately by the respective team coach, DOC, or President and asked to meet to discuss the incident to help the bully or bullies change their behavior.

### Consequences of Bullying

1. In a first offense situation involving bullying, an attempt will be made to encourage the bully (or bullies) to modify their behavior for their benefit, for the benefit of the person bullied, and for the team. An attempt will be made by the coach, manager, or parent(s) to reconcile the situation between players (age and level of maturity and or severity of offense must be considered).
2. If the bullying persists, disciplinary action against a player may be taken by the team coach and/or the EYSC Executive Board which may include, but is not limited to, immediate suspension from participation in practices or game(s) for a period of time.

3. After the incident/incidents have been investigated and addressed, the situation will continue to be monitored by the respective team coach, team manager, and players' parents to ensure the problem is resolved.
